To our Shareholders:

CoastalSouth Bancshares, Inc. (the "Company") is pleased to announce net income of \$2.7 million, or $\$ 0.31$ per diluted share, for the fourth quarter of 2021, as compared to $\$ 3.3$ million net income, or $\$ 0.39$ per diluted share, for the third quarter of 2021. With another strong quarter, the Company is positioned to continue its growth trajectory with increased profitability and balance sheet expansion after completing the acquisition of Cornerstone Bancshares, Inc. ("Cornerstone") on October 1, 2021.
"We are excited to welcome our new team members from the acquisition of Cornerstone," said Steve Stone, President and Chief Executive Officer of the Company and its wholly owned subsidiary, Coastal States Bank ("CSB" or the "Bank"). "This acquisition adds more talented bankers to the CSB team in Atlanta and increases our deposit market share and our ability to reach customers through an additional branch location. I am optimistic about CSB's future performance with an increased asset base and realization of efficiencies from the merger which should emerge in 2022."

## Highlights for the Fourth Quarter of 2021

- Net income of $\mathbf{\$ 2 . 7}$ million, and $\mathbf{\$ 0 . 3 1}$ diluted earnings per share ("Diluted EPS")
- Total assets grew $\mathbf{\$ 2 7 8 . 3}$ million, a 20.9\% increase from September 30, 2021
- Total deposits grew \$255.7 million, a 21.9\% increase from September 30, 2021
- Tangible book value grew to $\mathbf{\$ 1 3 . 8 4}$ per share, a $\mathbf{2 . 4 \%}$ increase from September 30, 2021
- Completed Cornerstone Bancshares, Inc. acquisition on October 1, 2021

The Cornerstone acquisition contributed significantly to the Company's growth in the fourth quarter. At October 1, 2021, the date of acquisition, we recognized $\$ 231.1$ million in additional total assets, which included $\$ 125.7$ million of loans held for investment, $\$ 82.5$ million of cash, and $\$ 16.0$ million of investment securities, and we recognized $\$ 208.3$ million of total deposits. A bargain purchase gain of $\$ 1.6$ million was recognized as a result of the acquisition during the fourth quarter. Following the acquisition of Cornerstone, the Company completed its system integration of Cornerstone Bank, Cornerstone's wholly owned subsidiary, into CSB in December 2021. The synergies as a result of the merger are expected to be realized starting in the first quarter of 2022.

During the fourth quarter, the Company's momentum continued as deposits grew to $\$ 1.42$ billion. The increase in deposits of $\$ 255.0$ million during the fourth quarter was comprised of $\$ 206.0$ million in deposits from the Cornerstone acquisition and $\$ 49.0$ million from existing banking operations. Exclusive of the Cornerstone acquisition, this growth was driven by deepening our relationships with existing

Equal Housing Lender Member FDIC

## COASTALSOUTH BANCSHARES, INC.

customers and attracting new customers through our product offerings and our team members' commitment to a great customer experience. CSB also added several new commercial bankers during the fourth quarter which also helped to drive deposit growth.

During the fourth quarter, our bankers continued to see strong loan demand and we expect this trend to continue into the first quarter of 2022. As mentioned above, the Company has continued to recruit and hire talented bankers within our markets to attract new customers and help fuel this growth. Notwithstanding improving loan demand, the Company has a significant amount of liquidity from strong deposit growth. As such, CSB continues to evaluate opportunities to prudently deploy liquidity into earning assets. Core loans held for investment ("LHFI") grew by $\$ 89.9$ million, excluding acquired loans, and the Company's investment portfolio grew by $\$ 79.9$ million during the fourth quarter.

The Company's credit metrics remained strong throughout the fourth quarter. The Company's NPA ratio continues to decline and was down to $0.20 \%$ at the end of the fourth quarter of 2021 as compared to $0.24 \%$ at the end of the third quarter of 2021. The Company's net charge-offs to total LHFI ratio remains low as well, at $-0.01 \%$ for the fourth quarter of 2021.

${ }^{(1)}$ Non-GAAP measure, see "GAAP to Non-GAAP Reconciliation" schedule.
${ }^{(2)}$ The Company defines tangible assets as total assets less intangible assets (excluding commercial mortgage servicing assets), and tangible common equity as total shareholders' equity less intangible assets (excluding commercial mortgage servicing assets)

## Financial Results

## Income Statement

Net income was $\$ 2.7$ million for the fourth quarter of 2021 compared to net income of $\$ 3.3$ million in the third quarter of 2021 and a net income of $\$ 1.7$ million in the fourth quarter of 2020. Compared to the third quarter of 2021, the slight decrease is attributable to the Cornerstone acquisition integration. Compared to the fourth quarter of 2020, the increase in net income was primarily attributable to an increase in net interest income and noninterest income; offset by an increase in noninterest expense primarily related to salaries and employee benefits in line with growth in revenues in conjunction with the recent Cornerstone Bank acquisition.

Interest income was $\$ 13.0$ million in the fourth quarter of 2021, compared to $\$ 11.2$ million in the third quarter of 2021 and $\$ 11.2$ million in the fourth quarter of 2020. The increase in the fourth quarter of 2021 compared to the third quarter of 2021 was primarily in loans held for investment. The increase in the fourth quarter of 2021 compared to the fourth quarter of 2020 is due to growth in the loan portfolio coupled with the expansion of the investment portfolio throughout 2020 and 2021. The components of interest income are presented below:

CoastalSouth Bancshares, Inc. and Subsidiary
Components of Interest Income (dollars in thousands)

| Interest on cash and due from banks | \$ | 19 | \$ | 2 | \$ | 2 | \$ | 1 | \$ | 1 | \$ | 17 | \$ | 18 |
| Interest on federal funds sold and resell agreements |  | 286 |  | 282 |  | 288 |  | 285 |  | 282 |  | 4 |  | 4 |
| Interest and dividends on investment securities |  | 1,181 |  | 865 |  | 806 |  | 744 |  | 720 |  | 316 |  | 461 |
| Interest and fees on LHFS |  | 1,172 |  | 1,309 |  | 1,448 |  | 1,595 |  | 1,840 |  | (137) |  | (668) |
| Interest and fees on LHFI excluding PPP loans |  | 9,264 |  | 7,017 |  | 6,671 |  | 6,776 |  | 6,531 |  | 2,247 |  | 2,733 |
| Interest and fees on PPP loans |  | 1,054 |  | 1,736 |  | 1,579 |  | 1,617 |  | 1,791 |  | (682) |  | (737) |
| Interest income | \$ | 12,976 | \$ | 11,211 | \$ | 10,794 | \$ | $\underline{11,018}$ | \$ | $\underline{\text { 11,165 }}$ | \$ | 1,765 | \$ | $\underline{1,811}$ |

Interest expense was $\$ 1.2$ million in the fourth quarter of 2021, remaining relatively steady compared to $\$ 1.1$ million in the third quarter of 2021 and a slight decrease compared to a $\$ 1.4$ million in the fourth quarter of 2020. Compared to the same quarter last year, the decrease in interest expense is due to a 28 basis point decrease in costs of interest-bearing deposits, partially offset by costs the Company's revolving commercial line of credit, which was added during the fourth quarter of 2021 to provide the ability to downstream additional capital to the Bank.

Net interest margin for the fourth quarter of 2021 was $3.03 \%$, compared to $3.28 \%$ for the third quarter of 2021 and $3.63 \%$ for the fourth quarter of 2020. Compared to the third quarter of 2021, net interest margin compressed by 25 basis points, which is related to increased federal funds sold balances in the fourth quarter of 2021 that earn only a nominal yield, decreased income on PPP loans as loans continue to be forgiven, and decreased yield on the investment securities portfolio. Compared to the same
quarter last year, net interest margin compressed by 60 basis points and was attributable to the same factors as the changes between the third and fourth quarter of 2021. Management continues to pursue strategies to deploy excess liquidity into additional earning assets, such as investment securities and loan purchases, to supplement strong core loan growth.

The cost of funds for the fourth quarter of 2021 was 34 basis points compared to 38 basis points for the third quarter of 2021 and 56 basis points for the fourth quarter of 2020. Cost of funds decline in both periods is primarily driven by a decrease in costs of interest-bearing deposits offset by the cost of the new revolving commercial line of credit.

The cost of deposits was 26 basis points in the fourth quarter of 2021 compared to 29 basis points in the third quarter of 2021 and 48 basis points in the fourth quarter of 2020. Over the last year, the Bank has lowered deposit rates as the Federal Reserve decreased the federal funds rates down to near zero.

Provision for credit losses was $\$ 399$ thousand during the fourth quarter of 2021, compared to $\$ 700$ thousand in the third quarter of 2021 and $\$ 1.4$ million in the fourth quarter of 2020. The Company has decreased the allocation of its credit reserves related to COVID-19 throughout 2021; however, these allocations have been consumed by general reserves related to new loan production and for other changes in loss rates. Charge-offs and recovery activity was not significant during 2021.

Noninterest income was $\$ 3.7$ million in the fourth quarter of 2021, compared to $\$ 2.9$ million in the third quarter of 2021, and $\$ 2.0$ million in the fourth quarter of 2020. Compared to the third quarter of 2021, the increase is primarily related to a bargain purchase gain of $\$ 1.6$ million, offset by decreases in gain on sale of government guaranteed loans of $\$ 567$ thousand and gain on BOLI of $\$ 263$ thousand. Compared to the fourth quarter of 2020, the increase in noninterest income of $\$ 1.7$ million was primarily attributable to bargain purchase gain of $\$ 1.6$ million related to Cornerstone Bank acquisition.

Noninterest expense was $\$ 12.0$ million during the fourth quarter of 2021, compared to $\$ 8.1$ million during the third quarter of 2021 and $\$ 8.2$ million during the fourth quarter of 2020. Compared to the third quarter of 2021 and the fourth quarter of 2020 , the increase of $\$ 3.8$ million and $\$ 3.7$ million, respectively, is primarily as a result of Cornerstone acquisition across various noninterest expense categories. Acquisition related one-time merger costs were $\$ 1.7$ million during the period.

Income tax expense was $\$ 360$ thousand in the fourth quarter of 2021, as compared to $\$ 900$ thousand in the third quarter of 2021, and $\$ 409$ thousand in the fourth quarter of 2020. Compared to the third quarter of 2021, the decrease is attributable to a decline of taxable income, as the bargain purchase gain from the acquisition of Cornerstone is non-taxable income. Compared to the fourth quarter of 2020, the slight decrease in income tax expense is not significant.

## Balance Sheet

Total assets as of December 31, 2021 were $\$ 1.612$ billion, grew from $\$ 1.333$ billion at September 30, 2021 and $\$ 1.148$ billion at December 31, 2020. The increase of $\$ 278.3$ million as compared to the prior quarter was attributable to the Cornerstone acquisition and continued deployment of liquid funds into loans held for investment and investment securities.

Cash and cash equivalents at December 31, 2021 was $\$ 224$ million, compared to $\$ 206$ million at September 30, 2021, and up from $\$ 157$ million at December 31, 2020. The increase in cash and cash equivalents as compared to the prior quarter is primarily attributable to an increase in cash and due from banks as well as an increase in federal funds sold as the Company's deposit balances continue to grow and from the acquisition of Cornerstone.

Investment securities at December 31, 2021 were $\$ 295$ million, compared to $\$ 215$ million at September 30, 2021, and up from $\$ 121$ million at December 31, 2020. The increase in investment securities for both periods is related to securities purchases. Management has continued to look to deploy liquidity into higher interest-earning assets in the securities portfolio.

Total gross loans held for investment at December 31, 2021 were $\$ 938$ million, compared to $\$ 774$ million at September 30, 2021, and up from $\$ 703$ million at December 31, 2020. Loans held for investment grew during the quarter as core LHFI increased by $\$ 89.9$ million, and acquired LHFI grew by $\$ 96.9$ million; offset by forgiveness and paydowns of PPP loans of $\$ 23.2$ million. As compared to December 31, 2020, core LHFI increased by $\$ 220.6$ million and acquired LHFI grew by $\$ 89.8$ million; offset by lower PPP balances due to forgiveness and paydowns of $\$ 74.9$ million. Total loans held for sale at December 31, 2021 were approximately $\$ 81$ million, similar to $\$ 81$ million at September 30, 2021 and approximately $\$ 113$ million at December 31, 2020.

Allowance for loan losses ("ALL") at December 31, 2021 was $\$ 8.1$ million, compared to $\$ 7.7$ million at September 30, 2021, and from $\$ 7.0$ million at December 31, 2020. The increase in the fourth quarter of 2021 compared to the third quarter of 2021 was primarily due to the growth of the loan portfolio and the acquired loans. Compared to the fourth quarter of 2020, the increase in provision is primarily related to the growth of the loan portfolio and the acquired loans as well. Total ALL to total LHFI excluding PPP was $0.92 \%$ at December 31, 2021 as compared to $1.10 \%$ and $1.21 \%$ at September 30, 2021 and December 31, 2020, respectively. A discount on acquired loans is also recorded through accounting for business combinations, and was $\$ 4.9$ million at December 31, 2021, which can be used to absorb future credit losses on acquired loans.

Nonaccrual loans decreased by $\$ 228$ thousand to $\$ 2.2$ million at December 31, 2021 from $\$ 2.4$ million at September 30, 2021. Troubled debt restructures ("TDRs") increased by \$169 thousand and \$155
thousand, respectively, compared to September 30, 2021 and December 31, 2020, related to one loan from the Cornerstone acquisition that did not qualify for accounting under the guidance for purchased credit-impaired loans. Total nonperforming loans to gross LHFI outstanding were $0.27 \%$ at December 31, 2021 , compared to $0.34 \%$ and $0.53 \%$ at September 30, 2021, and December 31, 2020, respectively.

Nonperforming assets to total assets decreased by 4 basis points to $0.20 \%$ at December 31, 2021, compared to $0.24 \%$ at September 30, 2021, and decreased by 20 basis points compared to $0.40 \%$ at December 31, 2020. Other real estate owned ("OREO") increased slightly by $\$ 24$ thousand in the fourth quarter to $\$ 640$ thousand from $\$ 616$ thousand in third quarter of 2021 due to an addition of property from the Cornerstone acquisition. A decrease of $\$ 170$ thousand occurred from the fourth quarter of 2020 to the fourth quarter of 2021 due to liquidation of properties.

Total deposits at December 31, 2021 were $\$ 1.424$ billion, an increase from $\$ 1.168$ billion at September 30, 2021 and from $\$ 892$ million at December 31, 2020. The increase in total deposits is attributable to Cornerstone Bank acquisition as well as continued new customer acquisition across the franchise. Noninterest bearing deposits accounted for $30.4 \%$ of total deposits as compared to $28.5 \%$ of total deposits at September 30, 2021 and $25.7 \%$ at December 31, 2020. As the Company wins new loan customers and targets new deposit relationships with competitive rates on interest bearing accounts, our bankers are focused on ensuring that we win the entire relationship, including operating accounts, so that we can preserve our attractive mix of deposits.

Federal Reserve Bank advances associated with the Paycheck Protection Program Liquidity Facility ("PPPLF") at both December 31, 2021 and September 30, 2021 was nil compared to $\$ 111$ million at December 31, 2020. The decrease is attributable to payoff of those advances due to the inflow of customer deposits during 2021.

Subordinated debt, net of debt issuance costs, remained at approximately $\$ 14.6$ million at December 31, 2021, September 30, 2021 and December 31, 2020.

Federal Home Loan Bank advances ("FHLB") remained steady at $\$ 20$ million at December 31, 2021, and September 30, 2021, and December 31, 2020. These FHLB advances are structured advances with 3month call options, and depending on changes in interest rates, may be called prior to maturity.

Revolving commercial line of credit ("LOC") was $\$ 10.0$ million at December 31, 2021. This LOC did not exist at September 30, 2021, and December 31, 2020. The LOC was opened to provide the Company with the ability to downstream additional capital to the Bank and has total capacity of $\$ 18.0$ million.

Tangible book value per share at December 31, 2021 was $\$ 13.84$. CSB is currently well capitalized with a leverage ratio of $8.25 \%$, a common equity tier 1 capital ratio of $10.94 \%$, and a total risk-based capital ratio of $11.63 \%$.

## Detailed Results

Supplementary unaudited financial statements are included for the fourth quarter of 2021 in the following pages. As always, I encourage you to contact me with any questions or comments.

Sincerely,

Anthony P. Valduga
CFO / COO

## FORWARD-LOOKING STATEMENTS

Certain statements made in this report which are not statements of historical fact are forward-looking statements within the meaning of, and subject to the protections of, the federal securities laws. Forward looking statements include, among others, statements with respect to our beliefs, plans, objectives, goals, targets, expectations, anticipations, assumptions, estimates, intentions and future performance and involve known and unknown risks, many of which are beyond our control and which may our actual results, performance or achievements to be materially different from future results, performance or achievements expressed or implied by the forward-looking statements made in this report. You can identify forward-looking statements through our use of words such as "believes," "anticipates," "expects," "may," "will," "assumes," "should," "predicts," "could," "should," "would," "intends," "targets," "estimates," "projects," "plans," "potential" and other similar words and expressions. Forward-looking statements are based on our current beliefs and expectations and are subject to significant risks and uncertainties. Accordingly, we caution you not to place undue reliance on such statements. We undertake no obligation to update or revise any of our forward-looking statements for events or circumstances that arise after the statement is made, except as otherwise may be required by law.

## Explanation of Certain Unaudited Non-GAAP Financial Measures

This presentation contains financial information determined by methods other than Generally Accepted Accounting Principles ("GAAP"). Management uses these non-GAAP financial measures in its analysis of the Company's performance and believes these presentations provide useful supplemental information, and a clearer understanding of the Company's performance. The Company believes the non-GAAP measures enhance investors' understanding of the Company's business and performance and if not provided would be requested by the investor community. These measures are also useful in understanding performance trends and facilitate comparisons with the performance of other financial institutions. The limitations associated with operating measures are the risk that persons might disagree as to the appropriateness of items comprising these measures and that different companies might define or calculate these measures differently. The Company provides reconciliations between GAAP and these non-GAAP measures. These disclosures should not be considered an alternative to GAAP.
