PROXY STATEMENT FOR ANNUAL MEETING

INTRODUCTION

General

The Board of Directors is sending this Proxy Statement (this “Proxy Statement”) to our shareholders to solicit proxies from holders of our voting common stock, \$1.00 par value per share (our “Voting Common Stock”), for use at the Annual Meeting of the Shareholders (the “Annual Meeting”). Unless otherwise clearly specified, all references in this Proxy Statement to “CoastalSouth,” “we,” “us,” “our,” and the “Company” refer to CoastalSouth Bancshares, Inc.

Time and Place of Meeting

The Annual Meeting will be held on Thursday, April 25, 2024 at 8:00 a.m. Eastern Time at the Sea Pines Community Center, Suite 120, located at 71 Lighthouse Road, Hilton Head Island, South Carolina 29928.

Record Date and Mailing Date

The close of business on March 6, 2024 is the record date (the “Record Date”) for the determination of shareholders entitled to notice of and to vote at the Annual Meeting. Only the holders of our outstanding Voting Common Stock as of the close of business on the Record Date will be entitled to notice of and to vote at the Annual Meeting. This Proxy Statement and the accompanying proxy card are being mailed to such shareholders on or around March 21, 2024.

Number of Shares Outstanding

As of the close of business on the Record Date, CoastalSouth had 50,000,000 shares of common stock authorized, of which 8,073,467 shares of Voting Common Stock were outstanding, held by 588 holders of record.

Summary of Proposals

The proposal to be considered at the meeting is summarized as follows:

Proposal One. To elect eleven directors each to serve a one-year term ending at the Annual Meeting of Shareholders in 2025 (the “Director Election Proposal”).

VOTING AT THE ANNUAL MEETING

Requirements for Shareholder Approval

To hold a vote on any proposal, other than to adjourn the Annual Meeting for the lack of a quorum, a quorum must be present with respect to the proposal. A quorum will be present at the Annual Meeting if a majority of the outstanding shares of Voting Common Stock entitled to vote at the Annual Meeting is represented in person or by valid proxy. We will count abstentions and broker non-votes, which are described below, as present in determining whether a quorum exists.

Vote Required. The holders of shares of CoastalSouth's Voting Common Stock are entitled to one vote per share on all matters presented at the Annual Meeting for action by shareholders. With respect to the Director Election Proposal, for a director nominee to be elected, each director nominee must receive more affirmative votes for his seat on the Board of Directors than any other nominee for such seat. The Board of Directors is not aware of any competing nominees.

Abstentions. A shareholder who is present in person or by proxy at the Annual Meeting and who abstains from voting on any or all proposals will be included in the number of shareholders present at the Annual Meeting for purposes of determining the presence of a quorum. Abstentions do not count as votes for or against a given matter. An abstention will have no effect on the Director Election Proposal.

Broker Non-Votes. Brokers who hold shares for the accounts of their clients may vote those shares either as directed by their clients or in their own discretion if permitted by the exchange or other organization of which they are members. Proxies that contain a broker vote on one or more proposals but not on others are referred to as "broker non-votes" with respect to the proposal(s) not voted upon. Broker non-votes are included in determining the presence of a quorum. A broker non-vote does not count as a vote in favor or against a particular proposal for which the broker has no discretionary authority. Broker non-votes will have no effect on the Director Election Proposal.

Procedures for Voting by Proxy

If you properly execute and deliver and do not revoke your proxy, the persons appointed as proxies will vote your shares according to the instructions you have specified on the proxy card. **If you execute your proxy but do not provide your proxies with any voting instructions, then your shares will be voted "FOR" the Director Election Proposal and in accordance with the best judgment of the persons appointed as proxies as to all other matters properly brought before the Annual Meeting.** No proxy marked specifically "WITHHOLD" or "ABSTAIN" with respect to any Proposal will be voted in favor of any other Proposal unless the proxy is specifically marked "FOR" such other Proposal.

A shareholder who has given a proxy may revoke it at any time prior to its exercise at the Annual Meeting by:

- giving written notice of revocation to CoastalSouth;
- properly submitting to CoastalSouth a duly executed proxy bearing a later date; or
- attending the Annual Meeting and voting.

All written notices of revocation and other communications concerning proxies should be addressed to Stephen R. Stone, Chief Executive Officer of CoastalSouth Bancshares, Inc., at P.O. Box 4800, Hilton Head Island, South Carolina 29938.

Solicitation of Proxies

CoastalSouth will pay the cost of proxy solicitation, if necessary. Our directors, officers and employees may, without additional compensation, solicit proxies by personal interview, telephone, fax or otherwise. We will direct brokerage firms or other custodians, nominees or fiduciaries to forward our proxy solicitation materials to the beneficial owners of Voting Common Stock held of record by these institutions. We will reimburse these firms, custodians, nominees and fiduciaries for the reasonable out-of-pocket expenses that they incur in connection with this process.

Director independence, recruitment, and nomination

CoastalSouth seeks director candidates who uphold the highest standards, are committed to the Company's values and are strong independent stewards of the long-term interests of shareholders. The Company's Nominating and Corporate Governance Committee (the "NCGC") considers Board composition on an ongoing basis, with a focus on establishing a Board of Directors with the skills and experience required to effectively oversee the Company's present and future operations and strategy. The NCGC and the Board seek a diverse group of directors with experience in banking and other aspects of business that are relevant to the Company's businesses and operations.

The NCGC also oversees the director nomination process. In considering whether to nominate a director for election, the NCGC considers, among other things:

- Whether the director possesses personal and professional integrity, sound judgment, forthrightness and has sufficient time and energy to devote to the affairs of the Company;
- Whether the director possesses a willingness to challenge and stimulate management and the ability to work as part of a team in an environment of trust;
- The extent of the director's business and financial acumen and experience, especially in the financial services and products areas;
- Whether the director assists in achieving a mix of Board members that represents a diversity of background and experience, including with respect to age, gender, race, place of residence and specialized experience;
- Whether the director would be considered a "financial expert" or "financially literate" as defined in applicable law;
- Whether the director, by virtue of particular technical expertise, experience or specialized skill relevant to the Company's current or future business, will add specific value as a Board member, including business contacts, reputation, visibility, community involvement, regulatory experience, and independence;
- Whether the director is free from conflicts of interest with the Company; and
- Any factors related to the ability and willingness of a new director to serve, or an existing director to continue his/her service.

Each of our director nominees has been recommended for election by the NCGC and approved for nomination by our Board.

Personal and professional attributes and skills of the nominees

In furtherance of the foregoing, the Board considers a wide range of attributes when selecting and recruiting candidates. Our nominees have executive experience and skills that are aligned with our business and strategy as follows:

Financial and Accounting – Knowledge of or experience in accounting, financial reporting or auditing processes and standards is important to effectively oversee the Company's financial condition and the accurate reporting thereof.

Financial Services – Experience in the financial services industry, in particular, community banking, including consumer and commercial banking, and other related products and services, allows Board members to evaluate the Company's business model, strategies, and the industry in which we compete.

Leadership of a Large, Complex Organization – Executive experience managing business operations and strategic planning allows Board members to effectively oversee the Company’s operations.

Management – Experience as a senior executive officer allows the Board to effectively oversee the Company’s efforts to recruit, retain and develop key employees and build a cohesive and effective strategy.

Mergers and Acquisitions – Mergers and Acquisitions are an important part of the Company’s strategic focus, and experience in negotiating, executing, and integrating deals allows the Board to effectively oversee this element of the Company’s business strategy.

Public Company Governance – Knowledge of public company governance matters and best practices assists the Board in considering and adopting applicable corporate governance strategies and preparing for the possibility that the Company may be a public company at some point in the future.

Regulatory – Experience with regulated businesses, regulatory requirements and relationships with banking regulators is important because the Company operates in a heavily regulated industry.

Risk Management – Skills and experience in assessment and management of business and financial risk factors allow the Board to effectively oversee risk management and understand the most significant risks facing the Company.

Technology– Experience with or oversight of innovative technology, cybersecurity, information systems/data management, fintech or privacy is important in overseeing the security of the Company’s operations, assets and systems as well as the Company’s ongoing investment in and development of innovative technology.

Board Meetings

The Board conducts its business as a group and through a well-developed committee structure in adherence to strong corporate governance principles. The Board has established practices and processes to actively manage its information flow, set meeting agendas and make sound, well-informed decisions.

Board members have direct access to management and regularly receive information from and engage with management during and outside of formal Board meetings. The full Board met 13 times in 2023. Each director attended 75% or more of the total meetings of the Board and the committees on which he or she served in 2023 during his or her time as a Board member.

Committees of the Board

A significant portion of our Board’s oversight responsibilities is carried out through its four standing committees: Audit Committee, Credit and Risk Committee, NCGC, and Compensation Committee. Allocating responsibilities among committees increases the amount of attention that can be devoted to the Board’s oversight of the business and affairs of the Company.

Committees meet regularly in conjunction with scheduled Board meetings and hold additional meetings as needed. Each committee receives reports from senior management and reports their actions to, and discusses their recommendations with, the full Board. Each standing committee operates pursuant to a written charter, which is reviewed annually as part of the Board’s and each respective committee’s self-assessment.

The following chart summarizes the current Board committee memberships of our Directors:

Vote Required to Elect Directors

To be elected, each of the above directors requires the plurality vote cast by the shares entitled to vote in the election once quorum is present. Accordingly, assuming a quorum is present, each of the above directors must receive more votes in favor of his election than any other nominee. The Board of Directors is not aware of any nominees other than the individuals listed above.
