\*Overdrafts may be created by check, in-person withdrawal, ATM withdrawal, or other electronic means. We may charge you more than one overdraft fee per day (limit of 5 for consumer accounts), depending on the number of checks presented or withdrawals made from your account. Whether your overdrafts will be paid is discretionary and we reserve the right not to pay. For example, we typically do not pay overdrafts if your account is not in good standing, or you are not making regular deposits, or you have too many overdrafts. We require repayment of overdrafts as soon as possible, but no later than 45 days.
